18 MORE WEEKS UNTIL RECITAL!!

February's theme is Love, Friendship and Working Together. We will talk about our love for dance and for our dance friends. What makes our friends so special and lets tell them why.

Lets do something special for someone this month and share with the class.

We will also talk about how to keep our hearts healthy and strong.

SNOW CLOSINGS

Just a reminder on our policies for cancelling due to snow. We do not always go by the school systems when closing. If we decide to cancel we will send out an email, it will be posted on our facebook pages and an email will be sent out as well. We will try and get cancellations out as early as we can but we like to make sure the weather will be as predicted.

Hopefully we will not have to worry about many more snow days. Dancers are welcome to make up any missed snow day classes in a similar class level. Please check with us if you are interested. We do not make up snow days or credit classes unless we have had 3 or more on one particular day.

REMINDER TO PLEASE WIPE FEET WHEN ENTERING THE STUDIO AND TAKE OFF SHOES AT THE FRONT DOOR. SHOES SHOULD BE LEFT ON THE SHOE RACKS AT THE FRONT DOORS. DANCERS SHOULD NOT

STUDIO REMINDERS:

****When there is snow on the ground please do not park on the edges of the parking lot (grass area). It is too tough for other cars to pull out of spots with cars on the edge. If there are not spots available, pull down back and turn around in back area and wait for a spot to open. Or park down in that area and walk up to meet your dancer.**

**** Parents should be meeting their younger dancers out by the front door. Dancers should not be crossing over the parking lot to meet parked parents.**

**** Dancers should NOT be wearing their dance shoes into the studio from outside. Please make sure they have easy to slip on and off shoes to wear in. While the weather is bad, they can leave their shoes by the front door area. Teachers will help dancers with their shoes if needed.**

WALK DOWN THE STUDIO HALLWAYS IN THEIR OUTDOOR SHOES.

** As of now the waiting room area we are keeping closed for the most part. If you need to come in though to ask a question etc you are welcome to. Hopefully once the warm weather hits we will be able to loosen up some of our guidelines.

** Reminders on keeping with our studio dress code. If you are not sure of the dress code for each class please check on our website. Hair should also be neatly tied back in a ponytail or bun.

February Vacation Closing

The studio will be closed for February vacation Monday, February 21st through Saturday, February 26th for all regular scheduled classes (with the exception of ensemble rehearsals). The studio will re-open on Monday, February 28th.
