This Month's **THEME**

**COUNTING
THE MUSIC**

This month, let's focus on counting our music!

Every dance move has a count -

It's important to know the order of your steps and the timing. When you count the beat, it will tell you when to move your feet!

Performing together at Recital means counting together in class first. Try it! Count out loud to make sure we are all dancing at the same time!!
