Compudance Membership Fee

If using a credit card for monthly payment/withdrawal, it is mandatory to register for membership on Compudance. It is a minimal fee of \$10 for the year (the date begins on the date you register - you will need to re-new at the end of your year).

Compudance App

There is an app available for your phone. You will find it in the app store under “Compudance Portal.” This allows you to add classes and make payments. (From what I have been told it was a very easy process last year and they have updated the app. If you have the old app, you may want to delete and download the new one).

**** IF YOU HAVE QUESTIONS ON REGISTERING, PLEASE LET US KNOW. IF YOU ARE UNSURE OF WHICH LEVEL CLASS YOUR DANCER SHOULD BE IN, PLEASE CHECK WITH US BEFORE SIGNING UP. We will change their class in the system and inform you if you registered them in the wrong class.**

We are looking forward to another great season of dance!
Thank you for your trust in us and being part of our DE family!!
